

**This has reference to SEBI Circular SEBI/HO/MIRSD/FATF/P/CIR/2023/0144 dated August 11, 2023 regarding status validation of KYC of the Clients by KRA.**

Clients may check their KYC status as on date online through any of the KRA links given below :

<https://kra.ndml.in/kra-web/clientInquiryNew.do?rKey=>  
<https://www.cvlkra.com/>  
<https://www.karvykra.com/UPanSearchGlobalWithPanExempt.aspx>  
<https://www.nsekra.com/>  
<https://camskra.com/>

Possible reasons for non-validation of KRA might be the following/s :

1. Mobile or Email not validated
2. PAN is not linked with Aadhaar
3. Deficiency in the KYC documents uploaded/provided etc.
4. OTP is not delivered to mobile number or email id

Further, Clients can validate their KYC through following means :

1. Aadhaar through Unique Identification Authority of India (UIDAI) authentication / verification mechanism.
2. Mobile number / Email ID using OTP validation (only in cases where mobile number and e-mail ID provided by client are not seeded with Aadhar)
3. PAN using Income Tax Database.
